

# Product Manager

## About Us

**TIP Technologies, Inc.**, based in Pewaukee, WI is the world leader in providing Enterprise Quality Assurance Software. Our software offering (**TIPQA™**) is implemented at 7 of the Top 10 US Aerospace and Defense companies and is specifically designed for the quality requirements of Aerospace, Defense, Medical Devices, and other regulated highly complex manufacturing industries.

## Position Summary

TIP Technologies, Inc. is seeking a full-time Product Manager due to increased sales and a desire to expand into new markets. This individual will be responsible for:

- Defining the product strategy and roadmap
- Gathering, prioritizing, justifying and documenting TIPQA™ enhancements based on customer and market requirements
- Working closely with Development, Sales, Marketing and Support, to deliver on the company's overall strategy, meeting revenue and customer satisfaction goals.
- Developing partnerships to satisfy increased opportunities in the marketplace beyond TIPQA™'s traditional Quality audience and the Aerospace & Defense industry

## Experience

- Minimum of 5 years experience as a Product Manager
- Demonstrated success defining product strategy in the software industry
- 5+ years of experience in the Quality Management/ERP/MES market
- Bachelor's degree (MBA preferred)

## Competencies

- Proven ability to influence cross-functional teams without formal authority
- Excellent teambuilding skills
- Excellent written and verbal communication skills
- Ability to travel 10% of the time

Please submit your resume to [jobs@tiptech.com](mailto:jobs@tiptech.com). Only those candidates of interest will be contacted.
